Subject: Flight info for Thursday, May 22nd

Good evening!

McQueen Campbell and Brian Campbell will be flying the Governor on Thursday from Raleigh to the event and then to whatever destination he would prefer. (Cari, will he want to go to Southport?) McQueen is flying in from Mexico this evening and will fax over all of the required information for the security check. I will email it over first thing in the morning since I have not yet received it.

Thanks,  
Meredith
