

Welcome Back to School

Campaign for School Board Kicking Off

With students returning to school, parents, teachers and voters are beginning to study the upcoming Wake County Board of Education election in Garner, Willow Springs and Fuquay-Varina.

There's only one candidate with the background, experience and leadership we need representing District 2 – Cathy Truitt.

Cathy Truitt has a Doctorate in Education from the University of North Carolina – Chapel Hill. She is a retired educator spending more than 36 years as a classroom teacher and elementary / middle school principal in the Johnston County Public School System. As a mother and grandmother, Cathy knows it's time to improve communications between our parents and school system.

“I know we must listen to our parents, communities, teachers and principals to provide our children with the best education possible. The school board can't treat families the way they do and then expect to build public support for our schools.”

Cathy Truitt's Agenda for Our Schools:

- Embrace a Vision for 21st Century Schools
- Listen to the Community
- Promote Student Achievement
- Stabilize Disruption for Students, Families, and Schools
- Align budget, program, and operating decisions
- Demand Responsibility & Accountability
- Opposes forced reassignment plan

“If you want the status quo then vote for Horace Tart. If you want a political pawn of Ron Margiotta and Western Wake County vote for John Tedesco. If you want an independent voice who will stand up and fight for better schools for Garner and Fuquay, then I ask for your support and vote.”

Cathy Truitt – Experienced. Respected. Straight-Forward.
New Leadership for Our Schools and Our Children.

Cathy
Truitt
for Wake County School Board
District 2
