

Dear Wake BOE,

The ~~WESA~~ WSCA - Wake Schools Community Alliance, a local PAC, has not filed a Campaign Finance Report since Feb. 27<sup>th</sup>, 2009. As well, they have been engaging in activity during this year's Board of Elections Campaign, including giving \$500 each to candidates Chris Malow, John Tedesco, Debra Prickett, & ~~Debra~~ Debra Goldmann. At least a mid-term report is due, a possible a 35 day report since they are engaging in activity this cycle.

This is a formal complaint about the lack of a mid-year report + request if subsequent reports are also due.
