**Re: Bev Perdue Committee

Dear Mr. Bartlett:

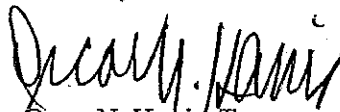

The Perdue Committee has become concerned about several contributions it received during the 2008 election cycle.

More specifically, we are concerned that some or all of the contributors involved may have been reimbursed by their employer. While we are unable to make a firm factual determination that this was the case, we have chosen to divest ourselves of these funds in order to address our concerns and doubts. The Perdue Committee is committed to maintaining the highest levels of ethical integrity, and we therefore believe that, given our concerns, disgorgement of these funds is the appropriate course of action.

Therefore, please find enclosed a check in the amount of forty-eight thousand dollars (\$48,000.00) made payable to the State Board of Elections. The check is a disgorgement of the contributions set forth in the schedule attached.

Should you have any questions regarding this matter, please feel free to contact me.

Sincerely,

Oscar N. Harris, Treasurer
