# HEATHER LOSURDO: More choices for parents

## Heather Believes Parents Know Best – Give Them Choices.

Heather Losurdo believes parents know what's best for their children – that is why she supports empowering them to make sound education decisions for their families. Heather wants parents to have the option to send their children to neighborhood schools, other choice schools or charter schools because finding the right environment for learning can make all the difference in a child's future.

**CALL HEATHER LOSURDO  
AT 919-438-1120 AND  
THANK HER FOR  
SUPPORTING MORE  
CHOICES FOR PARENTS  
IN WAKE COUNTY.**
